

S U M M I T

Home- a word that elicits feelings of comfort, familiarity, and safety. It always feels really good when you get there. One of my favourite things is to hear Campers, Staff and Alumni look around, explore and share how when they come back to Camp they feel as if they have arrived 'home'. Our goal is to create an environment in which the campers, students and families can thrive, play and grow because of how comfortable they feel here. This past year, we had many past staff members from around the world come back and visit. As they walked around camp they immediately went to their favourite spots in the forest where they used to hide during camp games, or look at a view of the mountains they remember so well. Campers arrive back and immediately run to the GaGa ball court, a top bunk or relax in the grove. In a world that is becoming ever more transient and few of us growing up and having our childhood home to go to each year, camp is the constant. Camp will continue to evolve, grow, the people will move on but it will always 'feel' the same. You will always get that excited feeling driving up the Squamish Valley Rd. You will always be welcomed by an energetic, smiling staff member who is as excited to see you as you are to see them.

We as a staff feel so incredibly fortunate to have the opportunity to welcome your children and you 'home' every opening day. My wife Daphne and I often marvel at the fact that our actual home is at camp. The chance for our girls to walk out the front door and say hi to 40 staff and 130 happy campers and play a game of capture the flag is unbelievable. We are so thankful for the families, campers, students and schools that choose to make Camp Summit their home away from home every year. On behalf of Daphne, Maya, Campbell and Ralph (the dog) we hope you are having a wonderful year and we can't wait to see you back home soon.

BASE CAMP

Our 3 day/2 night Base Camp program is one of our favourite times of the year up at Camp as we welcome children 4-6 years old to experience the fun and excitement of Summer Camp! We take great pride in being part of our campers' very early adventures in the summer camp world. During this program we aim to foster a positive 'first time away from home' experience for all of our campers.

We would like to thank all of our 2015 Base Campers for their energy and excitement this past summer as we enjoy the memories of silly campfire songs, Alice Lake beach parties and getting messy at arts & crafts, just to name a few!

DISCOVERY CAMP

It was another fantastic year for our 5-day Discovery Camp program. We had lots of new and returning faces at Camp in 2015! Our campers had the chance to engage in a variety of classic camp programs and great on-site adventures including climbing, orienteering, campfires and swimming at Alice Lake. A great introduction to the world of Summer Camp, we have been proud to support campers age 6-11 often in their first overnight experience away from home.

SUMMER BLAST

Campers from 7 to 15 years of age thrive in our one-week program designed to provide the traditional summer camp experience. Campers participate in a variety of activities including classic favorites such as archery, rock climbing, art and crafts, outdoor living skills and canoeing on beautiful Alice Lake.

We were so happy to see many familiar faces and lots of new ones during our Summer Blast Camps in 2015! We were very proud of all of the campers who set personal goals as they worked towards their Summit Levels in archery, climbing and biking during their week at Camp. On top of that we were also excited to have a number of our campers participate in our Super Senior program, a specialty program designed to provide campers 13+ a chance to develop their leadership skills through advanced program instruction and off-site experiences!

ADVENTURE CHALLENGE

Interested in taking your Camp experience to the next level? Our Adventure Challenge program may be the right fit for you! This two week program for campers 9-15 years old builds on our authentic Camp Summit experience with the addition of our off-site programming and multi-day hiking trips that will take you to some of the most breathtaking sights British Columbia has to offer!

We had a blast with our 2015 Adventure Challenge campers as we saw them navigate new adventures and opportunities this past summer. Each cabin embarked upon an amazing two-to-four night trip, hiking popular trails such as Elfin Lake, and Garibaldi Lake where they challenged themselves and each other to accomplish goals such as preparing a meal over a fire, and practicing 'leave no trace' camping skills. Back at Camp, our campers worked towards personal goals and their Summit Levels in classic camp programs such as climbing, archery and mountain biking.

The Adventure Challenge program is truly an unbelievable experience that we are proud to offer. We see our campers walk away from their two weeks at Camp with strong friendships and memories that last a lifetime.

The Camp Summit Olympics is the ultimate session highlight and longstanding tradition within the Summit community of campers and staff. During the Olympics, campers are placed on a country team and spend the day working together at a variety of events to conquer their mission of winning gold and achieving the title of Olympic Champions for the session.

Special thanks to all of our athletes, judges and committee members for their participation this past summer and for upholding Summit's core values in the name of sportsmanship and teamwork!

WHERE IN THE WORLD?

We are very grateful each year to welcome several out of province and international campers, families, schools and staff to share in the experience of Camp Summit. Thank you to everyone who travelled both near and far for your participation and support of the Summit family and community. We have had the privilege of having 17 countries, 4 provinces and 1 territory represented at Camp this year!

SENIOR LEADERSHIP CHALLENGE 1

We had another fantastic season with our SLC 1 Journey program and are thrilled to have over 45 participants graduate the program in 2015! As the first tier of Summit's exceptional leadership development courses, this two-week program is designed for young people currently entering grade 10, who are interested in wilderness exploration, leadership and hard skills development.

The SLC 1 program takes participants through a number of shared challenges including a five-day Powel River canoe trip. Participants learn 'hands on' about effective communication, conflict resolution, judgement, decision-making, and teamwork.

On behalf of our SLC Directors Jake Bemelmans, Kate Buscombe and Sarah Mohn, we would like to thank and congratulate all of our SLC 1 participants for their energy and dedication to the program this past summer and look forward to supporting you through the next step of your leadership journey at Camp Summit!

Without a doubt, a major highlight of every summer at Camp is watching our SLC 1 participants graduate into the second level of Summit leadership development as they take on new roles and challenges as part of our SLC 2 New Horizon's program. This three-week program is specifically designed for individuals going into grade 11, with not only the passion to continue exploring our natural world, but also the desire and intent to learn about leadership, teaching skills and mentorship.

This past summer, our 20 SLC 2 participants each took on new leadership roles at Camp during their cabin placements, where they had the opportunity to integrate into cabin groups and be role models for younger campers as they taught and facilitated group games, programs and campfires! On top of that, our SLC 2 participants had the chance to develop their wilderness skills during their Juan de Fuca hiking trip.

On behalf of our SLC Directors Nicola Kirwan, Jayson Momeyer, and Melissa Lavery, we would like to thank all of our exceptional SLC 2 participants for bringing their enthusiasm and passion to all aspects of the program. We are so proud of your accomplishments!

JOE CARTER AWARD

1993 was the year that pitted the defending champion Toronto Blue Jays against the National champion Philadelphia Phillies. With Toronto ahead three games to two in the series, the Jays found themselves in the bottom of the ninth inning of Game 6 hoping to pull it together and win the world series as a team. Up to bat was a man named Joe Carter. He hit a game-winning three-run home run to win the series for Toronto, its second consecutive championship. This was our second year giving out the Joe Carter award to a staff members who were tremendous team players. It is one thing to be a strong camp leader and shine in everything you do, however, it is quite another thing to be the driving force behind that light. This award was given to staff members who did exactly that! They empowered others through their encouragement, motivation and guidance to help others strive for their full potential in making camp a better place. As Barbara Coloroso says, "Do good because good is good to do," and that is exactly what these incredible leaders did each and every day with the only expectation being that all of camp went to bed with smiles on their faces.

LEADERS IN TRAINING

Our Leadership in Training Program (LIT) is a full or half summer leadership course designed for participants who are 17 years of age and ready to take on new responsibilities at Camp. Through this transformative program, our LIT participants have the chance to hone their leadership skills, practice a variety of teaching/facilitation techniques and navigate their position as a role model for youth. These skills are further enhanced through direct interaction with campers in program areas, on trips and during the daily experience of cabin and Camp life each day.

We cannot thank the LITs enough for their commitment, loyalty and passion for Camp Summit. The effort and love that was put into their time at Camp this summer was pure, selfless, and lasting.

2015 CAMP SUMMIT STAFF

Judging from the sheer amount and nature of the feedback we have received from parents, teachers, campers, there is little question that, as a staff, we gave from the heart in 2015 and connected with our campers in fresh and meaningful ways. Every staff member at the camp is chosen for their qualities of great leadership, good character and a sense of responsibility for the campers entrusted in their care. With a staff return rate of over 50% each year, we are thrilled to support the growth of our team who wish to provide our campers the same Summit traditions and enriching experiences that they themselves had as campers. We would like to extend an endless amount of thanks to our Staff Team - we are extremely grateful for your passion, loyalty and commitment to Camp Summit, as together we can change lives.

FAMILY CAMP

Living in a society that moves so fast and where days flash before our eyes, it is sometimes difficult to find the time to get together as a family and enjoy all that the great outdoors has to offer. Family Camp at Summit provides an opportunity for families to enjoy time together outdoors without the hassle of setting up the tent or cooking on a camp stove. Bringing families together in the natural world creates an experience like no other! Together families will explore, challenge themselves and rekindle that family bond that is sometimes put on hold.

We would like to thank all of the families for their participation and energy in our weekend program! With our inspiring slate of activities designed to introduce adults and children of all ages to the wonders of the natural world, families were able to design their own itinerary to create the perfect weekend retreat that fit their own pace and interests.

WOMENS WEEKEND

Women's Weekend at Camp Summit provides a great opportunity to relax, reconnect and renew while enjoying all the fun and excitement of our beautiful summer camp facility in the Squamish Valley. Enjoy a full weekend with a variety of traditional camp activities including archery, mountain biking, high ropes, climbing and campfires every night, while indulging yourself in some of our specialty workshops such as yoga and massage therapy led by industry professionals.

We would like to give a special thanks to all of the women who took on new challenges and adventures with us this fall! Our highlights from our weekend in 2015 are definitely the delicious food, salmon walks along Anderson Beach, BINGO Night, Cardio Pictionary in the lodge and mountain biking on Boundary Trail! There is certainly something to be said about a weekend full of fantastic women at Camp! No Men, No Cooking and No Kids! JUST FUN!

If you are interested in learning more about our Women's Weekend Program or would like to register for 2016, please visit our website www.campsummit.ca for more information! We hope to see you there!

ALUMNI

The staff at Camp Summit are the biggest positive feedback we get from parents and teachers. We have over 160 active alumni who continue to keep in touch, visit, share stories and carry the torch of the Camp Summit flame well beyond their year spent here.

The Alumni network is an importation and lifelong connection to a wonderful group of people. We do our best to keep in touch during the year and always love to see as many familiar faces as possible at our reunion events. Please come and visit camp anytime you wish during the season and join us for a crazy meal in the lodge, it's still just as fun as when you were here!

FAMILY & COMMUNITY DONATIONS

The camping experience is transformative: it teaches cooperation, understanding, acceptance of others, sportsmanship and environmental ethics in a safe and supportive community. We have always felt that no child should be precluded from experiencing camp due to an inability to afford the registration fee. Thanks to the kindness and generosity of camper families and friends in our community, over 240 children to date have been given the gift of summer camp.

Our sincerest thanks go to the following families, schools and community partners for their contributions in 2015 (in alphabetical order).

OUTDOOR EDUCATION CENTRE

*“It is not the place that makes the place,
it is the people that make the place” – Geoff Park*

It was yet another exciting, fun and safe Outdoor Education season at Camp Summit. With over 40 schools coming through our gates, we had plenty of opportunity to share and learn from our students and teachers.

We started our season in early April – the earliest we have ever opened – with a bam! Round Square International hosted their annual leadership conference at Camp Summit. Round Square schools are characterized by a shared belief in an approach to education based on six ideals. Participation in conferences helps to develop social skills and provides opportunities for broadening international experiences. Each conference has a theme based on the IDEALS of Round Square, and they offer a combination of guest speakers, group discussions, cultural visits, community service and adventure activities. It was truly an honor to host the 2015 Round Square Conference on our site.

From there on, it was nothing but learning and fun. In fact, we often caught ourselves as a staff commenting on how much fun learning can be while at camp. “Learning is fun!” was often heard throughout the Outdoor Centre by staff and students alike. Learning is reached when we feel safe to explore and are encouraged to push further in the areas we find interesting. It’s when we are pumped up enough to meet a challenge but not too stressed out by it. Learning at camp is constant and we are so thankful to the students, staff and teachers who contribute to the flow of energy, learning and love to the Outdoor Centre.

We would like to acknowledge the commitment of our schools in the Outdoor Centre. We are humbled that over 80% of our schools have been coming for five or more years, and four schools have been coming for over 10 years! It truly feels like family when long-time schools arrive at camp and the teachers feel right at home. It is even better when returning students arrive for the progressive program!

We are equally committed to providing consistent and innovative outdoor education programs for students. We believe that what schools enjoy most about Camp Summit is our dedicated and passionate staff team. Our staff return rate is exceptionally high and the team members are chosen for their inspirational leadership skills. They are the bread and butter of the Outdoor Centre working 14+ hours every day, teaching, singing, and of course, dressing up as a chicken after dinner for Zoo Break!

We are looking forward to another fantastic year in the Outdoor Centre!
