

## LETTER FROM PARKY

Each year during our Summer staff training, we hike up the P-Nut Peak to a beautiful spot overlooking the Squamish Valley. With all of our Staff and LIT team present, I tell the story of how Camp Summit came to be. It's a story many have heard year after year but I am continually asked to retell it as new bits and pieces pop in each time. It is one of my most memorable moments of each season and it allows me the opportunity to reflect on the incredible journey that we have been on these past 20 years!

Growing up attending Kilcoo Camp in Ontario for 16 years was the most transformative experience of my life. My closest friends remain the ones I met at Camp and it has helped shape the person I am today.

The idea that it might be possible to build a career from something I love was surreal at the time and still feels that way 20 years later. The chance to create a place that has the same impact for other campers that Kilcoo had on me was beyond motivating

Reaching milestones like this makes me remember the early years when Camp Summit was a concept, a dream that I somehow knew would become reality.

From our opening day back in 2000, our people have built Camp Summit. The wonderful, creative, dedicated and passionate staff team have always created an environment where campers can be themselves and thrive. During my interviews with Leaders In Training who were applying to work at camp this year, I asked the question "what is something you have taken from Camp and applied

to your day-to-day life?" The answer from almost everyone was "I am the best version of myself while I am at Camp and I am committed to being that person all year long."

This is a powerful statement and one that perfectly encapsulates 20 years of Camp: we have all contributed to creating a place where people are able to be true to themselves.

I am continually supported by our year-round management team and am privileged to work alongside them every day. Their love of Camp and pursuit of striving to improve it each year is inspiring. Thank you to Jen Brown (11th year), Gary Stamper (9th year), Emily Kalil (7th year) and Breanna Pretulac (4th year). I also want to thank Daniel Pletz, who has quite literally built Camp and continues to improve our facilities in his 12th year with us.

To all of our Camper families who entrust us with your children and support the importance of the camp experience: we are so grateful for the opportunity to be a part of their continued growth.

On behalf of my wife Daphne, our daughters Maya (13) and Campbell (9) and of course our dog Ralph, we thank you for being part of this amazing community. Keep it 25 & Sunny -- and here's to 20 more years!

Best,

*parky*

# BASE CAMP

Our 3-day/2-night Base Camp program is one of our favourite times of year up at Camp, as we welcome children from 4-6 years old to experience the fun and excitement of Summer Camp! We take great pride in being a part of our campers' very early adventures in the camping world, as we aim to foster a positive "first time away from home" experience for all of our campers.

This year we ran two Base Camp sessions at the beginning of the summer, welcoming a total of 41 campers.

We would like to thank all of our 2019 Base Campers for their energy and excitement this past year, as we enjoy the memories of silly campfire songs, making rocket ships and dancing with Cheesman, just to name a few!

Big shoutout to our Base Camp leaders, who did such a wonderful job leading both Base Camp A and Base Camp B this summer. Thank you for your kindness, patience, empathy, endless energy and silliness. You did so much, and thank you for every moment.

# DISCOVERY CAMP

It was another fantastic year for our 4-night Discovery Camp program, with lots of new and returning faces at Camp in 2019. At Discovery Camp, our campers had the chance to engage in a variety of classic camp programs and great on-site adventures including climbing, orienteering, and campfires. Discovery Camp is a great introduction to the world of Summer Camp, and we have been proud to support campers in grades 1-5, often in their first overnight experience away from home.

# SUMMER BLAST CAMPS

Campers from grades 2-8 thrive in our one-week program designed to provide the traditional summer camp experience. Campers participate in a variety of activities, including classic favorites such as high ropes, archery, arts and crafts, camp-wide games, and of course CAMPFIRES!

We were so happy to see many familiar faces and lots of new ones during our Summer Blast Camps in 2019! We were very proud all of the campers who set personal goals as they worked towards their Summit Levels in archery, climbing, mountain biking, outdoor living skills, and navigation during their week at Camp.

# ADVENTURE CHALLENGE

Interested in taking your Camp experience to the next level? Our Adventure Challenge program may be the right fit for you! This two-week program for campers in grades 5-8 builds on our authentic Camp Summit experience with the addition of our off-site programming and multi-day hiking trips that take campers to some of the most breathtaking sights British Columbia has to offer!

We had a blast with our 2019 Adventure Challenge campers as we saw them navigate new adventures and opportunities. Each cabin embarked on an amazing two- or three-night backpacking trip, hiking popular trails such as Elfin Lakes, Joffre Lakes, Cheakamus Lake and Garibaldi Lake, where they challenged themselves and one another to accomplish goals such as preparing a meal over a fire and practicing Leave No Trace camping skills. Back at Camp, our campers worked towards personal goals and their Summit Levels in classic camp programs such as climbing, archery, and mountain biking.

The Adventure Challenge program is truly an unbelievable experience that we are proud to offer, and we see our campers walk away from their two weeks at Camp with strong friendships and memories that last a lifetime.

# SENIOR LEADERSHIP CHALLENGE 1

We have had another fantastic season with our SLC 1 Journey program this year, and are thrilled to have 43 participants graduate the program in 2019! As the first tier of Summit's exceptional leadership development courses, this two-week program is designed for young people who are interested in both wilderness exploration, leadership, and hard skills development.

The SLC 1 program takes participants through a number of shared challenges including a 5-day Powell River canoe trip, where participants learn hands on about effective communication, conflict resolution, judgement, decision making, and teamwork.

On behalf of our SLC Directors Lori and Dennis, we would like to thank and congratulate all of our SLC 1 participants for their energy and dedication to the program this past summer and look forward to supporting you through the next step of your leadership journey at Camp Summit!

# SENIOR LEADERSHIP 2 "NEW HORIZONS"

Without a doubt, a major highlight of every summer at Camp is watching our SLC 1 participants graduate into the second level of Summit leadership development as they take on new roles and challenges apart of our SLC 2 New Horizon's program. With 31 participants in the program in 2018, this three-week program is specifically designed for individuals going into grade 11, with not only the passion to continue exploring our natural world, but also the desire and intent to learn about leadership, teaching skills and mentorship.

Our SLC 2 participants each took on new leadership roles at Camp during their cabin placements, where they had the opportunity to integrate into cabin groups and be role models for younger campers as they taught and facilitated group games, programs and campfires! On top of that, our SLC 2 participants had the chance to develop their wilderness skills during their Juan de Fuca hiking trip.

On behalf of our SLC Directors Georgia, Kali, Lindsay and Jeff, we would like to thank all of our exceptional SLC 2 participants for bringing their enthusiasm and passions to all aspects of the program. We are so proud of your accomplishments!

# LIT 2019 LEADER IN TRAINING

Our Leadership in Training Program (LIT) is a full- or half-summer leadership course designed for participants who have just completed Grade 11 and are ready to take on new responsibilities at Camp. Through this transformative program, our LIT participants have the chance to hone their leadership skills, practice a variety of teaching/facilitation techniques, and navigate their position as a role model for youth.

We cannot thank the LITs enough for their commitment, loyalty, and passion for Camp Summit. The effort and love that was put into their time at Camp this summer was pure, selfless, and lasting.

CAMP SUMMIT

# 2019 STAFF TEAM

Looking back on our Spring, Summer, and Fall seasons this past year, our Management team is in full agreement that our 2019 staff team was phenomenal. Every year we have the pleasure of working with incredibly passionate individuals at Camp Summit, and we are exceptionally proud of all of our 2019 staff members.

Our staff team worked hard every day to make sure each camper had the best experience possible. They gave from the heart, and connected with both campers and students in meaningful ways. Our mission is to encourage personal growth through cooperation, teamwork and positive leadership. We can only achieve this with our staff.

Every year our staff team grows a little and our community gets stronger and stronger. We are proud of all our staff this year who facilitated our programs at Camp Summit. Our mixture of long-time returning staff, staff who have grown through our leadership programs, and new staff from around the globe, is what makes our team so strong. Everyone on our team has something special to offer.

On behalf of our management team, we would like to extend a giant THANK YOU to all of our staff for their dedication to Camp this year. You rock!

# SUMMIT OLYMPICS

The Camp Summit Olympics have always been a highlight where campers of all ages spend the entire day banding together to conquer their mission of winning gold!

This has been an ongoing tradition at Summit for over 14 years, and it's one we value to its core.

Team captains, athletes, and the Olympic Committee all work together to see that everyone is having a blast as well as showing their true Summit team spirit. With the addition of House teams, we have seen even more team spirit, camaraderie, and pride within the teams. We expect this to continue to grow over the years as campers return and continue building their House Team pride.

The competition has never been closer!

# WOMEN'S WEEKEND

Women's Weekend at Camp Summit provides a great opportunity to relax, reconnect and renew while enjoying all the fun and excitement of our beautiful summer camp facility in the Squamish Valley. Enjoy a full weekend of fun with a variety of traditional camp activities including archery, mountain biking, high ropes, climbing and campfires every night. We would like to give a special thanks to the SEVENTY-FIVE women who took on new challenges and adventures with us this fall! Our highlights from our weekend in 2018 are definitely the delicious food, the Explore program, Crooked Falls hike, and our '20s-themed Casino Night!!! There is certainly something to be said about a weekend full of fantastic women at Camp!

No men, no cooking and no kids — just fun!

If you are interested in learning more about our Women's Weekend program or would like to register for 2019, please visit our website ([www.campsummit.ca](http://www.campsummit.ca)) for more information. We hope to see you there!

# FAMILY CAMP

Living in a society that moves so fast and where days flash before our eyes, it is sometimes difficult to find the time to get together as a family and enjoy all that the great outdoors has to offer. Family Camp at Summit provides an opportunity for families to enjoy time together outdoors without the hassle of setting up the tent or doing your own cooking. Bringing families together in the natural world creates an experience like no other! Together you will explore, challenge yourselves and rekindle that family bond that is sometimes put on hold.

We would like to thank all of the families for their participation and energy in our weekend program! With our inspiring slate of activities designed to introduce adults and children of all ages to the wonders of the natural world, families were able to design their own itineraries to create the perfect weekend retreat that fit their own pace and interests.

# FAMILY & COMMUNITY DONATIONS 2019

The camping experience is transformative; it teaches cooperation, understanding, acceptance of others, sportsmanship and environmental ethics in a safe and supportive community. We have always felt that no child should be precluded from experiencing camp due to an inability to afford the registration fee. Last year we were able to send 29 kids to summer camp through our Campership Program. We do our best to support a camper through their time at Camp Summit until their family no longer needs assistance - the more local children we can provide this for, the stronger a community we will help to sustain.

## FOR THE LOVE OF CAMP FUNDRAISER

In February we hosted our annual For the Love of Camp Fundraiser to raise money for this program. Thanks to the incredible support of the Sea to Sky community and all of the generous individuals who attended this event, we were able to raise enough money to send 23 kids to Camp this coming summer.

We will be hosting our fundraiser again on February 23rd, 2019, and would love to see you there!

Thank you to everyone for their generous contributions to our Campership Program this past year.

# OUTDOOR EDUCATION

Every year, we are noticing more and more substantial research to suggest that outdoor education programs positively impact young people's self-perception: their understandings of their own personal strengths, limitations, and the value they bring to a team.

Since pitching tents, starting fires, and free play might not be part of the everyday school experience, Camp Summit is a "home away from home" and extension of many schools in and around Vancouver. We are grateful that more than 80% of our schools have been coming for 5 or more years, with some closer to 20 years consecutively.

In 2019, the Camp Summit Outdoor Education Centre (SOEC) was excited by the sheer amount of inquiries that poured through with teachers seeking a place to introduce and harness skills like these for today's youth. It is great to see that schools, both public and private, include outdoor learning as an integral part of their studies. These inquiries led to solidified bookings, yielding our busiest Outdoor Education season to date. We are grateful to the teachers and coordinators that take the time make Camp possible for their students.

The benefits of Outdoor Education reach more than just the students that come –working here as a staff member has just as many benefits! We believe that it is our staff who truly make the difference in the lives of the students. Our staff are hired for their enthusiasm, leadership qualities, maturity, and commitment to the values of Camp Summit. Our staff know that teaching biking is not only about biking, but about the skills involved in biking. What do you do when you fall off your bike? What do you need to think about when going uphill on a bike? Downhill? Where are your eyes supposed to look? How do you slow down? Why is that important? It is the ability to teach these skills that makes our Camp Summit staff shine. It is a win-win situation to teach these skills and to be the recipient of the teaching.

**THANKS FOR  
A GREAT YEAR!**

This past May, over 70 alumni staff members reconnected at Camp for a weekend to celebrate 20 years.

We had multiple staff from back in our first few years of operations who were able to share stories of “the old days” with more recent staff. All activity areas were open and fun was had by all. Our Alumni community is over 300 strong, and we now have past staff whose children attend Camp! The network of our Camp Summit community of alumni reaches far and wide, and it brings me immense joy to receive photos of staff who have met up on purpose or by accident and are immediate friends, as they share a bond through Summit. We are looking forward to our 25th Reunion weekend!!
