ODDS & ENDS TO CONSIDER

- **Camp Summit is located outside of Cell Reception**
 - There is no cell reception at Camp. There is a landline phone located in the office should guests need to make a phone call while visiting Camp. We recommend 'frontloading' this detail to guests in advance.
- **Wifi Access**
 - There is limited wifi access at Camp. Wifi signals can be reached near the office and dining tent.
 - Wifi signal at our location is not like your typical wifi signal and can be impacted by elements such as the weather.
 - It is best to expect a 'weaker' than normal signal and not rely on our wifi for things like music. We strongly encourage groups to download music to their phone or device before arriving to Camp.
- **Food Trucks**
 - You are welcome to booking food trucks for portions of your event. Please let us know in advance if you are choosing this option and if their services need any additional support (i.e. power hook up, storage etc...). Squamish is home to some amazing food trucks... we encourage you to support our local community if you can!
- **Cabin Baskets / Guest Favors**
 - To avoid unwanted visitors (i.e. squirrels / mice), we encourage you to choose non food based items for cabin baskets or guest favors!
- **Dogs at Camp**
 - Guests are not permitted to bring their pets with them to Camp.
 - Certified support or therapy animals are welcomed with provided documentation and must remain leashed.
- **Respectful Consumption**
 - As a youth and family focused business, we kindly request that all guests remain respectful of our staff and facility.
 - To avoid unwanted dangers around camp, beverages must be transferred from glass to plastic (i.e. solo cups) when beverages are consumed away from the Dining Tent or designated reception space.
- **Emcee / Wedding Party Liaison**
 - From our experience, having an Emcee for the day of your ceremony / receptions that is not a member of the wedding party is **extremely** helpful for the flow of your event. This person will help coordinate with our Hospitality Director and Camp Staff to keep your event on schedule and guests aware of what is happening.
 - We encourage you to choose a person who is reliable, has a strong sense of your vision of how you would like things done, is capable of communicating/speaking to a crowd and has good time management skills for the role.
- **Fireworks**
 - As per local bylaws in the community Upper Squamish Valley, fireworks are not permitted to be held or set off on our site or neighbouring properties at any time.

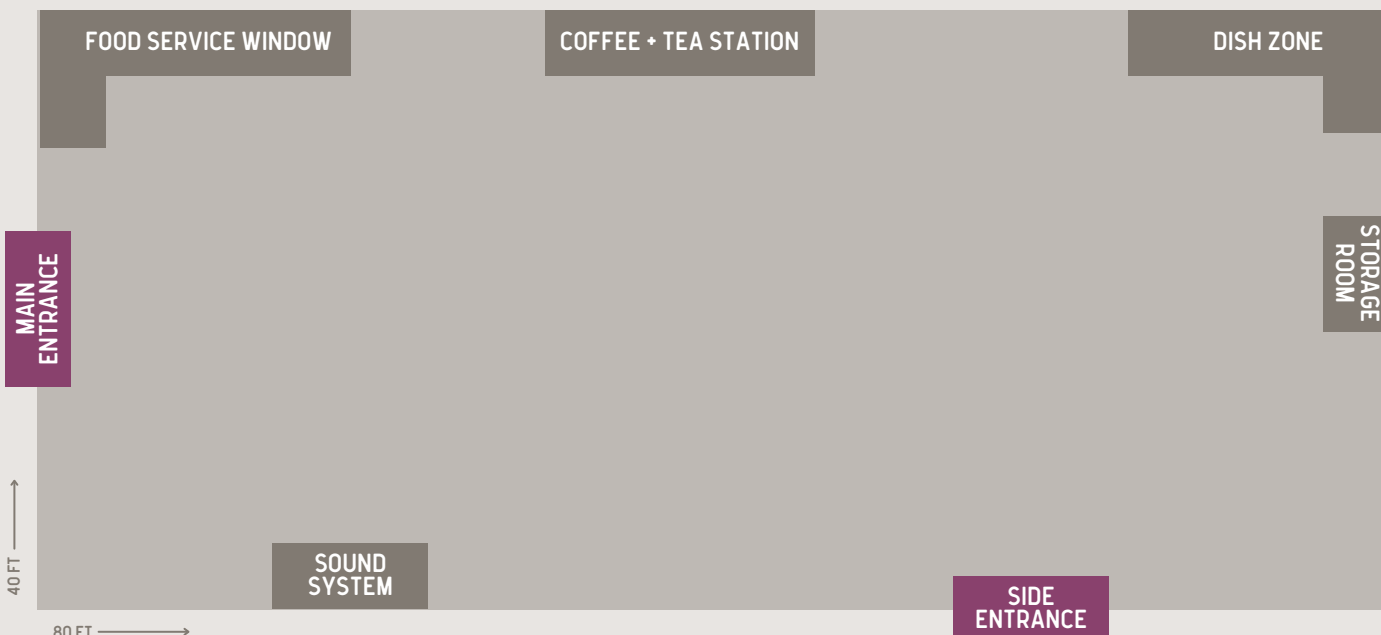

COME TAKE A TOUR!

We are pleased to host interested couples for a meet + greet with our Hospitality Director and guided tour of Camp! Tours are entirely complementary and will help give you a better sense of our location, layout and offerings for special events. We encourage you to visit in the Spring, Summer or Fall while Camp is operating at our normal capacity. Please contact us to book your tour!
